NEW 10" - RISE UP RIDDIM

A limited edition steppers riddim on Reality Shock Records produced by Kris Kemist, featuring vocals from Macka B, Lioness Fonts & Solo Banton plus a Dub Mix from the legendary Russ Disciples.

Reality Shock family presents yet another crucial 10" for vinyl collectors, this time in true steppers style. Following on from the Success of 'Free Herbs' & 'War' 10"s, Reality Shock is starting 2009 with a bang! Kris Kemist is rapidly becoming established as a prolific UK producer with the musical Midas touch...

MACKA B - "RISE UP"

British born Macka B is long established as one of the UK's most influential Reggae artists. With a career spanning almost 30 years, Macka B is known worldwide for his intelligent, thought

LIONESS FONTS - "MOST HIGHS LOVE"

Lioness Fonts is one of the latest additions to the Reality Shock Family. Her poetic & firey deejay style combined with a sweet singing voice make her a unique and exciting talent.

SOLO BANTON "WANT TO GO HOME"

Rising star Solo Banton is most definitely an artist to watch out for in 2009. Previously a soundman, compare, producer & founder of Tiger-man Records, Solo has become a pillar of the Reality Shock Family since turning his hand to writing & recording. From his very first tune Solo saw a sudden and overwhelming demand for his talents in Europe, as he is rushed by promoters, producers & sound-systems alike.

Fresh on the scene, the Lioness is currently compiling her debut EP featuring riddims from Jah Youth & Reality Shock, which guarantees to firmly establish her name in the reggae world. Lioness Fonts' first tune 'One Way System'

Solo Banton has spent the last six months recording and touring in the UK & across Europe and currently has a whole host of new songs due for vinyl release over the coming year, such as 'Talk To Me' on Jahtari label, 'Love & Understanding' featuring Mikey Murka on Foundation Sound, 'Praises' on Upfront Records, 'Revolution Time' on Zion Gate Records & many more. Also be sure to stay tuned for Solo's phenomenal new video & 7" single coming soon on Reality Shock, entitled 'Walk Like Rasta' which is guaranteed to create a stir! Also in the pipeline is his debut album on Reality Shock Records due out later this year. Keep up to date with Solo Banton at myspace.com/solobanton.

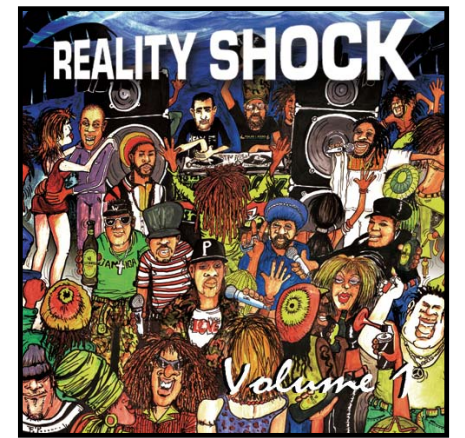

provoking lyrics and for his unmistakable voice & deejay style. Macka B recorded this song 'Rise Up' with Kris Kemist, which recently featured on the critically acclaimed compilation album 'Reality Shock Volume 1' & is now here on limited edition vinyl by popular demand. 'Rise Up' is a song that urges the listener to wise up & see through the illusions around them; to think for yourself instead of blindly following the herd & ultimately to unite and speak out against injustice and inequality with one voice. Watch out for more from Macka B & Reality Shock in the near future.

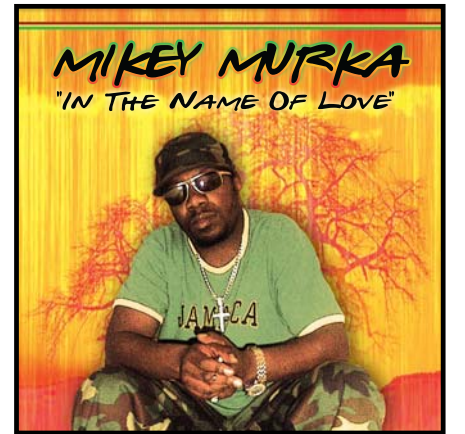

was featured on Reality Shock Vol 1, since which she has been working with the Upper Cut Band & performing at Reality Shock showcases. Watch out for the anthem 'Modern Slave Master' coming soon on Upfront Records. Stay tuned to myspace.com/lionessfonts for more information.
